Parents

Before completing the application form, please be sure your child would like to participate in this event. It may sound like the chance of a lifetime for you and be a nightmare to your child. Consider that your child will be in front of over 50,000 spectators riding over LARGE and technical obstacles. We want this to be a positive experience for your child. Also, consider your role in this event. The KTM Mini Stars is intended to be a fun event with the emphasis on sportsmanship. Abusive, high-pressure tactics will get you, and unfortunately your child, ejected immediately.

Thank you for your application and interest in KTM Mini Stars!
